

**DEPARTMENT OF EVENING STUDIES – MULTI DISCIPLINARY RESEARCH CENTRE
PANJAB UNIVERSITY, CHANDIGARH**

NOTICE

The Department of Evening Studies-Multidisciplinary Research Center is organizing a competition on the topic “Applications of Calculus in Business and Economics” for the students of the department. Those who wish to participate may submit a short write-up on this topic. The write-up may include a theorem, a concept, an idea, or an example wherein a certain level of calculus is used. The write-up can be a hand-written document or a typed document but it should be a single file in pdf format. The candidates are required to upload this file by following the link <https://forms.gle/NumsY7uK2CuFWCg9A> on or before June 04, 2020.

Please note that **ten best write-ups** will be selected by a screening committee. The selected candidates will be invited to give a presentation for 5-7 minutes about their write-ups. On the basis of their presentations **three** candidates will be chosen in order of merit. The first one will get a cash prize of **Rs. 1000**, while the second and third will get **Rs. 500** each. Certificates of participation will be given to all the ten screened candidates.
