

**DEPARTMENT OF EVENING STUDIES-MULTI DISCIPLINARY RESEARCH CENTRE
PANJAB UNIVERSITY, CHANDIGARH**

Notice

This is in continuation to our earlier notice regarding a competition among the students of the Department of Evening Studies-Multi disciplinary Research Centre on the topic “Applications of Calculus in Economics”. The Department is happy to inform the overwhelming interest shown by the students for this competition despite the tough time of corona pandemic as well as the pressure of semester examinations. Students have submitted online write-ups on this topic and after screening it has been decided that the following students should be invited to give a short video presentation (about 10 minutes) to be conducted on June 12 at 11:00 am.

Aditi Khanna
Amisha Bhalla
Ishanka kamboj
Neelgagan
Prem Sarup
Shalika Rani
Tanisha Garg

Depending upon the presentations and response of students to the queries of the Judges (a panel of three judges), three students will be selected for the award of First, Second and Third position. However, as promised, certificates of presentation will be given to all.

Dr Keerti Vardhan
Associate Professor of Mathematics,
DES-MDRC
