

GANDHI FELLOWSHIP 2021-2023 : REGISTRATIONS OPEN

Over the past few months, the world and our country have witnessed a new kind of challenge unsettling our older ways of living and normal order. The world, today, is full of extreme uncertainty and it has strengthened our resolve to engage with young minds more than ever.

Changing times have led us to adapt and grow resulting in the need for 21st Century Skills more than ever. Piramal School of Leadership through the Gandhi Fellowship Program aims to develop 21st Century skills in youth thereby making them future-ready. The Gandhi Fellowship is a rigorous 2-year full-time residential Fellowship that takes you on a transformational journey of both self and society.

Gandhi Fellowship, through the last decade, has established a nation-wide reputation amongst the foremost centers of knowledge hubs, colleges, and universities and is among the top fellowship programs in the country today. The fellowship is open to final year students, both graduates and post-graduates across all disciplines. Since the inception of Gandhi Fellowship in 2008, we have recruited young candidates from engineering, applied and pure science, commerce, business, humanities and liberal arts, social and behavioral sciences, media and journalism, education, law, and many other streams.

Registration for Gandhi Fellowship is open. To apply register on the link below.
